SECRET FILES & ORIGINS

TWO-FACE™

REAL NAME: Harvey Dent **HEIGHT:** 45 mm
EYES: Black **HAIR:** Black/White
FIRST APPEARANCE: LEGO Batman Set #7781, April 2006

DESCRIPTION: Crime boss whose deadly decisions are made with the flip of a coin.

ORIGIN: District Attorney **Harvey Dent** helped send many gangsters to jail. But when a vengeful criminal threw acid at him, badly scarring one side of his face, he was driven mad and started a life of crime as "Two-Face." Despite many attempts to reconstruct his fractured mind, he remains one of Batman's most dangerous foes.

METHODS: Two-Face's crimes are all inspired by the number two, from robbing the brick vault at the Second National Bank to dismantling half the stadium at a doubleheader baseball game. He always carries a two-headed coin and flips it to make every decision. If the clean side comes up, he shows mercy, but if the scarred side wins, he'll take apart anything - or anyone - that gets in his way!

EQUIPMENT: Two-Face has had his henchmen build an armored van disguised as a bank truck. Equipped with hidden fold-out weapons, it may even be a match for the **Batmobile**!

STATUS: Two-Face is on the run, having escaped from **Arkham Asylum** along with many of Batman's other enemies. The **Dark Knight** is believed to be in close pursuit.

Dear DC Comics,

I like your comics. I have at least four issues of each of your comics. I like CODENAME: KIDS NEXT DOOR the best, so I'm sending a picture with this letter. These kids are Numbuh 91 and 87.

Tell Numbuh One that he's cool. My brother likes Numbuh Four.

J. Daniel Alcantar A., age 10
Eduardo Alcantar A., age 5

Numbuh One says, "Thanks for the support!"

This is a good time to tell everyone that KIDS NEXT DOOR has left the BLOCK! What I mean is, they've left CARTOON NETWORK BLOCK PARTY and moved to CARTOON NETWORK ACTION PACK! Dear Blossom,

You are the best Powerpuff Girl among your sisters! I can't get over how pretty and long and glamorous your hair is!

You are sooo smart, generous, cute, friendly, and always the reasonable one! I wish I could meet you in person! If I were a PPG, I would think that you should be the rightful leader of the group!

Kirsten Pampu, age 11
Covina, California

Funny! Buttercup HAS met Blossom in person, and she's not so sure that Blossom should be leader of the group!
— Johnny DC

[DRAWING BY KIRSTEN PAMPU]
